Rice Military Traffic Safety Initiative

**Speeding cars on your street?
A lot of cut through traffic?
Drivers not stopping at Stop Signs?
Feel unsafe from all the cars driving too fast?**

The Rice Military Traffic Safety Initiative is working to find solutions to the traffic problems within Rice Military.

However, the City will only help us if they hear from residents! If we don't call and tell the City, how will they know there is a problem?

We need to call 3-1-1 and let the City know! It only takes 5 minutes.

Without this information we will not get the funding or help!

Make sure to give your name and address so they know you called from Rice Military and save the service request #.
